If You have a non-travelling Close Relative with a pre-existing medical condition who dies or falls seriously ill and as a result You wish to cancel or Curtail Your Trip, You will be covered only if the relative's doctor can confirm that at the date of you buying this insurance policy or booking your trip (whichever is later) he/she would have seen no substantial likelihood of the patient's medical condition deteriorating to such a degree to cause a necessary cancellation to claim or a claim for cutting short your trip. If the medical practitioner will not confirm this, any claim arising from a pre-existing medical condition will not be covered. All claims arising from a terminal prognosis, any set of symptoms where a diagnosis has not been made and any medical condition for which a non-traveller is on a waiting list for or has knowledge of the need for surgery, treatment or investigation at a hospital (as an inpatient or outpatient), clinic (a doctor's surgery, a medical specialist's or physiotherapist's clinic, or a nursing home) at the time of booking a trip (whichever is later) are automatically not covered.
